

Airex AG is the world leading manufacturer of gym mats under the brand AIREX®. Tested materials and proven Swiss quality in the manufacturing process guarantee product durability even under tough conditions. AIREX® products meet or exceed current legal regulations in regards to materials and accident prevention measures.

Reasons why you should choose AIREX® professional products:

- Comfort to touch
- Simple to clean, antimicrobial finishing
- Hard-wearing material for many years of use
- Yielding and supportive, protection against injuries
- Excellent damping capacity and great stability in balance exercises
- Lightness and flexibility, easy to roll and store
- Water repellent. Closed cell foam. No penetration of water or dirt

Three tips for your AIREX® products

1. Use the products barefoot or in socks (no sneakers)
2. If your products get dirty, clean them with ordinary soapy water. Disinfection is not going to be necessary thanks to integrated Sanitized protection!
3. Let the AIREX® products air dry thoroughly if they get wet (they can also be used outdoors)

NOTICE: As a result of the peculiar manufacturing process, the dimensions of the mat may be slightly different from the ones here described. The main difference may occur in the length of the product.

AIREX® ATLAS is suitable for:
fitness, physiotherapy and rehabilitation and club sport.
