Cleaning rules

Clean with damp soapy cloth and rinse well with clean water. Do not use solvents, bleaches, synthetic detergents, polishes or aerosol spray.

Attention

Normally synthetic leather light colours should not come in contact with no fixed closed clothes (such as jeans and similar) not to cause stains and rings that cannot be cleaned up.

The overmentioned data correspond to average values communicated in good faith, but they cannot be considered as a contract document. The product use has to be considered in terms of what has to be realized and it cannot be held up responsible when it is improperly used. Slight colour differences among several lots are admitted.
